

# NICOLAS DE OLIVEIRA

PRODUCTION ENGINEERING STUDENT · 10TH SEMESTER

## SUMMARY

**Nicolas de Oliveira, Production Engineering student (10th semester, UEPA; equivalent to Industrial Engineering in the U.S.), expected to graduate in 2027. Experienced in data analysis (advanced Excel, Orange Data Mining, Power BI, Tableau). Certified proficiency in English; good command of Spanish. Eager to learn hands-on and to contribute with responsibility and a focus on process improvement.**

## EDUCATION

### Pará State University (UEPA), Brazil

- **B.S. in Production Engineering, expected 2027.**

### Foreign Language Proficiency Certificate (PROFILEST UEPA 2025)

- **English: top score.**
- **Spanish: good score.**

### UEPA Short Courses

- **Public Policy, Governance and Environmental Justice**
- **Fundamentals of Agroforestry Production and Management**
- **Environmental Law, Expert Assessment and Licensing**
- **Artificial Intelligence Applied to Academic Research in Engineering**
- **Simulation of Production Systems Using Software**

### FM2S

- **Fundamentals of Quality Management**
- **Fundamentals of Industrial Production Management**
- **OKR – Objectives and Key Results**
- **Lean Six Sigma Yellow Belt**

### SENAI

- **Basic Financial Reports**

## SKILLS

**BI Tools – Advanced Excel (data analysis, pivot tables, charts, some experience with macros).**

**Data Analysis: collecting, organizing and interpreting data for decision-making. Process Optimization: improving efficiency and productivity.**

**Able to work across operational, financial and economic cycles.**

**1 year of experience with Claude Code (Anthropic).**

## CAREER SUMMARY

**Data Analyst at OBA REPRESENTAÇÕES**
**[07/2026 – present]**

**Young Apprentice at BBF [2025]**

**Field Research Intern – Fazenda Argus (farm)**
**Period: [09/2023 – 12/2023]**

**Submitted scientific papers to ENEGEP 2026 (Brazilian National Meeting of Production Engineering)**

**Submitted an extended abstract to ICPR-A 2026**

**Undergraduate Research Fellow – UEPA / CNPq**

**Volunteer and attendee at ICPR-A (International Conference on Production Research – Americas)**

## CONTACT

**Phone / WhatsApp: +55 (45) 9 98806-4213**
